My dear Sister

Just a few lines to let you know I am in the land of the living. I hope you will answer my letter as I want to know how yourself and Ambrose is getting on. He must be a big boy now. I had a letter from home last week and they are asking for your. Since poor mothers death they have a lot of ups and downs. My youngest sister is in America and was married last month. Dear Sarah I have trouble enough last year myself. I have got three boys in the Railway. The third boy met with an accident last September and he lost he left foot. The Engine went over it. He got on splendid and has an artificial foot and walks well on it, my eldest boy was down in Newcastle on his holidays he might have called in to see you but didn't think of it at the time. We are all well in good health. Thank God.

I buried my baby he would be three years if he had lived, the youngest now is six and going to school They are all growing up very quickly. I got all our Photos taken in a group in Xmas I have one for you but will not send it until I get an answer. would like to hear from you very much. I think as well as I can remember that Ambrose was born in March. How old will he be next birthday, give him my love also yourself. Hoping to hear from you soon and forgive my long silence. I will make up for it in the future. Hoping your father and mother and all your family are in good health. I will now conclude with fond love for all here
